Yes No

(Feel free to contact the Spokane Regional Labor Council for information about union businesses and services.)

1. What are the three most important issues for this position? (Briefly) Teachers, children, families
2. What are your qualifications for the position? Currently work within the public school system, Skilled at running an innovative business with excellent communication, operational and financial outcomes (SWAG, Strong Women Achieving Greatness), Strong sense of community and a natural ability to connect with children and families from all backgrounds, Community volunteer and Board member of Girl Scouts of Eastern Washington and North Idaho, Business Management (A.A.S.), Behavioral Health Science (B.A.S.)
3. Why is the endorsement of the Spokane Regional Labor Council important to you? This endorsement will help to clarify to my constituents that the interests of working people matter to me, regardless of race, gender, color, religion, age, sexual orientation, or ethnic or national origin.

4. Will you develop a process or system to give your employees an opportunity for input on issues affecting their workplace and the labor community on issues affecting working families? I will not have employees. However, in the interest that I should gain employees, their input would be valued and plans to address issues affecting their workplace and family will include their voice.
5. What is your position on privatization of public services and the outsourcing of jobs? Social equity is better achieved without the privatization of public services and the outsourcing of jobs.
6. Apprenticeship is a long standing and established method to train and prepare workers to meet these growing workforce needs. Do you support Apprenticeship Utilization requirements?
 - a. Yes No
7. Do you support a living wage for workers? Yes No
8. Does this wage include employer provided family medical benefits? Yes No
9. Collective bargaining is the cornerstone of an employee's wages, benefits, and working conditions. Do you support collective bargaining? Yes No
10. Will you actively support the right of all workers to organize and collectively bargain? Yes No
11. The Spokane Regional Labor Council welcomes and encourages responsible economic development. We believe that government spending should have minimum standards that protect the community, working families and our local economic foundation. When spending tax dollars, would you support contract provisions that promote workers' rights, civil rights, public health, and our Local health care industry? yes
12. Do you support the use of taxpayer dollars to hire outside labor relations consultants to oppose worker interests during negotiations with unions?
 - a. Yes No
13. Contractors for public construction projects are required by law to pay their employees the prevailing wage. Do you support compliance with and enforcement of prevailing wage law?
 - a. Yes No
14. Would you support a requirement that industries or businesses receiving tax incentives and subsidies remain neutral during an organizing drive?
 - a. Yes No

NOTE: Please attach additional information you think is necessary to fully answer any of the preceding questions or regarding other areas of interest you believe to be relevant:
